

Mountain Host Program – A Volunteer Opportunity at Bridger Bowl

Bridger Bowl's Mountain Host Program is comprised of individuals dedicated to volunteering their time, knowledge and enthusiasm for our ski area so that visitors to the mountain can have the best experience possible.

This program is not for everyone. As ski resort employees, we understand that many of our locals live for big powder days ... and that experience is their top priority. We respect those choices and are fortunate to have thousands of powder hounds enjoying our slopes each winter. However, we also know that there are a good number of ski enthusiasts who have had "those" great years on the mountain, and want to give back to their ski community. Generally speaking, our best candidates for the Mountain Host program are those who are naturally attentive to the needs of others. Whether they are walking through the parking lots, eating in the base lodge, riding the lifts or shredding the slopes, these are the men and women who are naturally inclined to stop, assess, and go out of their way to help others if they sense a need. If this describes you, we encourage you to read on.

Specific Requirements:

Hosts commit to performing volunteer duties one day during each workweek and one day on each weekend throughout the season. Hosts also commit to 5 of the 10 Bridger-recognized Holidays (including the week of Christmas). A commitment means at least 4 hours of assistance, whether on the hill or in Bridger Bowl facilities, wearing the uniform coat. Hosts must perform volunteer duties at least 16 weekend days or holidays during the season. Hosts are asked to ski and ride chair lifts with guests rather than other Hosts.

Although Host are not Bridger Bowl staff, they are required to work very closely with our employees at times to facilitate mountain operations, services and events on any given day. Finally, all hosts present and wearing the "Host" jacket, whether scheduled or not, are expected to assist with Mountain Tours as needed.

Benefits: (not available for family or friends):

- 2014-15 Adult Season Pass
- 40% discount in cafeterias
- Host jacket and name tag

If this program is of interest, please complete the following application, sign and submit. You are welcome to attach a letter and/or resume of related experiences.
