PLEASE READ CAREFULLY

I hereby voluntarily request to participate or to have my minor child participate in the King and Queen of the Ridge Ski-a-thon conducted at Bridger Bowl. I understand the Ski-a-thon takes place on steep mountain terrain and consists of strenuous uphill hiking with my equipment, followed by skiing or snowboarding to a designated point to record laps. I am aware and understand that skiing in it's various forms as well as participation in alpine competitions includes inherent dangers and risks that are part of the sport including: changing weather conditions; snow conditions as they exist or as they may change, including ice, hardpack, powder, packed powder, wind pack, corn snow, crust, slush, cut-up snow, and machine-made snow; avalanches, except on open, designated ski trails; collisions with natural surface or subsurface conditions, such as bare spots, forest growth, rocks, stumps, streambeds, cliffs, trees, and other natural objects; collisions with lift towers, signs, posts, fences, enclosures, hydrants, waterpipes, or other artificial structures and their components; variations in steepness or terrain, whether natural or the result of slope design, snowmaking, or snow grooming operations, including but not limited to roads, freestyle terrain, ski jumps, catwalks and other terrain modifications; collisions with clearly visible or plainly marked equipment, including but not limited to lift equipment, snowmaking equipment, snow grooming equipment, trail maintenance equipment and snowmobiles, whether or not the equipment is moving; collisions with other skiers; the failure of a skier to ski within that skier's ability; skiing in a closed area or skiing outside the ski area boundary as designated on the ski area trail map; and restricted visibility caused by snow, wind, fog, sun, or darkness.

Warning, Risk of Avalanche: Avalanche hazard reduction measures within the ski area boundaries help reduce the risk of avalanches, but can not eliminate the possibility of an avalanche occurring. I acknowledge the existence of this risk and accept such risk on behalf of myself and/or my minor child.

I am aware that natural and man-made obstacles exist and that obstacles and hazards are not marked on this terrain. Fencing, equipment covers, signs, rope lines and other marking devices may be in place during the competition. These markers will not prevent injury. I understand it is my/my child's responsibility to stay away from marked areas. I am aware that participation in this competition may result in loss, damage, expense or injury (including death) from these risks and I voluntarily accept such risks on behalf of myself and/or my minor child.

I am aware and understand an operating 457KHz Avalanche Transceiver is required to participate in this competition and that it is my/my minor child's responsibility to take precautions to prevent runaway equipment while hiking and skiing.

I consent to use and reproduction, without compensation, of all photos or other visual representations made of the participant in connection with this event.

ON BEHALF OF MYSELF AND/OR MY MINOR CHILD NAMED ON THIS DOCUMENT, I HEREBY RELEASE, HOLD HARMLESS AND INDEMNIFY BRIDGER BOWL, INC., ITS EMPLOYEES, AGENTS, OFFICERS AND DIRECTORS AS WELL AS THE SKI-A-THON SPONSORS FROM ANY AND ALL LIABILITY FOR ANY LOSS, DAMAGE, EXPENSE OR INJURY (INCLUDING DEATH) RESULTING FROM THE RISKS DESCRIBED HEREIN, REGARDLESS OF WHETHER SUCH RISKS RESULT FROM THE NEGLIGENCE OF BRIDGER BOWL INC., AND THE PARTIES RELEASED ABOVE.

I have carefully read this Warning, Notification of Risk, Release of Liability and Indemnity Agreement, understand it, and accept its terms.
